

433MHz Standalone Smoke Detector OEM ODM For Smart Home Space Security

Our Product Introduction

for more products please visit us on xhafiresafety.com

Basic Information

- Delivery Time: 7 Working days
- Payment Terms: T/T, Western Union

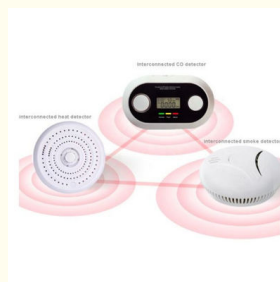

Product Specification

- Detector Type: Wireless Interconnected Smoke Detector
- Battery: DC3V Lithium Battery
- Sound: More Than 85dB
- Battery Life: 10 Years
- Frequency: 433MHz
- Max. Connected Qty: 50PCS
- HS Code: 8531901000
- Type: Smoke Detectors
- Anti-Theft Alarm System Type: Smoke Alarms
- Anti-Theft Alarm System-Wide: Space Security Alarm Detector
- Types Of Smoke Detectors: Photoelectric Smoke Style
- Customization: Available | Customized Request
- Highlight: **433MHz Standalone Smoke Detector, Standalone Smoke Detector OEM,**

Product Description

10 Years Battery Life 433MHz Frequency Smoke Detector For Smart Home Space Security

Introduction

the wireless interconnected smoke detector is common used for the smart home security system for fire warning. This alarm has the characteristics of high sensitivity, stability and reliability, small power consumption and durability, easy to install and can be interconnected with other smoke detector/heat detector/co detector etc. it can connect maximum 50 detectors.

Parameters

| | | | |
|-------------------|--|------------------|--------------------|
| Product Name | Wireless interconnected smoke detector | Work Voltage | DC3V |
| Volume | ≥85db | Battery | 3V lithium battery |
| Battery life time | 10 years | Work temperature | -10°C~+50°C |
| Output | LED Flash Alarm | Humidity | ≤95%. |
| Product standard | EN14604 | Frequency: | 433.92MHz |

Installation

EASY TO INSTALL

Product Range

Smart Home Standalone smoke detectors and combustible/CO gas detector
4 wire smoke detectors with relay output.
2 wire smoke and heat detectors
Conventional Fire Alarm System
Addressable fire alarm system
Extinguishing control system

Service

1. OEM & ODM service.
2. Provide technical support and after-sale service.
3. 1 year warranty.
4. Normally 15 working days lead time.
5. Welcome sample order.
