

Ceiling Mounting Addressable Smoke Detector For Fire Fighting And Fire Security Alarm System

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: XHA
- Certification: CE
- Model Number: CA9001
- Minimum Order Quantity: 1PCS
- Price: negotiable
- Packaging Details: 100pcs/carton
- Delivery Time: 3 Working days
- Payment Terms: T/T, Western Union
- Supply Ability: 100000PCS/Month

Product Specification

- Applications: Addressable Alarm System
- Wired: 2-Wired, Non-polarized
- Installation: Ceiling Mounting
- Connected: Loop Bus
- Working Voltage: DC24V
- Operating Temperature: -10°C To 50°C
- Highlight: **Ceiling mounting Addressable Smoke Detector ,
Fire Fighting Addressable Smoke Detector**

for more products please visit us on xhafiresafety.com

Addressable smoke alarms are commonly found in commercial, industrial, and institutional buildings where advanced fire detection and emergency response capabilities are required.

Precise Alarm Location: The unique address of each smoke alarm enables the control panel to identify the exact location of an activated alarm.

Enhanced Reliability: Addressable smoke alarms offer self-diagnostics and remote monitoring capabilities, improving the overall system reliability.

Customizable Settings: Adjustable sensitivity settings help optimize the alarms' performance based on the specific environment.

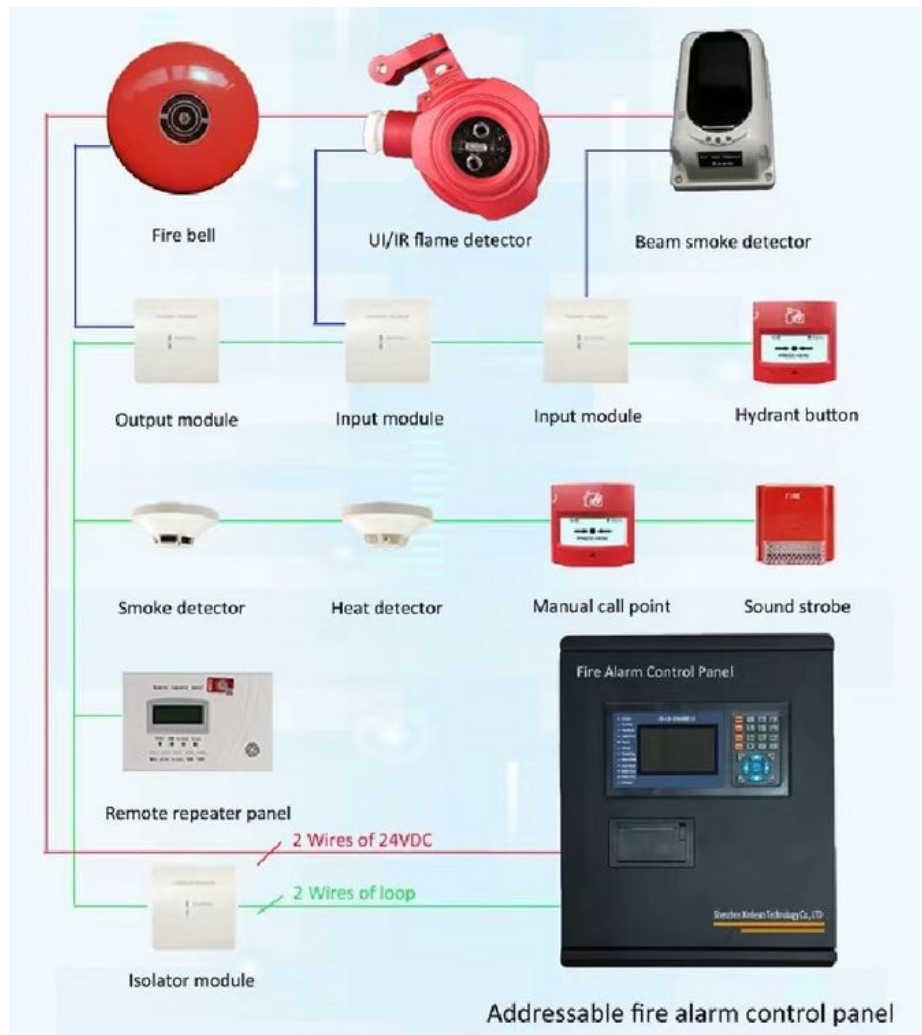

Integrated System Functionality: The integration with the addressable fire alarm control panel enables coordinated emergency responses and comprehensive system management.

Product name	Smoke Alarm Detector	Type	Addressable
Loop Bus wired	2-wire Non-polarized	Monitor Current	≤300uA
Alarm Current	≤2mA	Dimension	Φ85*52 mm
Work voltage	DC17V DC33V	Operating Environment	Temperature -10°C~+50°C Humidity ≤95%.
Weight	Weight:93g(with base)	Certification	CE

Addressable fire alarm control panel

Product range

Conventional Fire Alarm System
 Addressable fire alarm system
 Gas Extinguishing control system
 Beam Detector
 4 wire smoke detectors with relay output.
 2 wire Conventional smoke and heat detectors
 Explosion-proof flame detector for fire alarm system
 Standalone smoke detectors and combustible gas detector

Service

1. OEM & ODM service.
2. Provide technical support and after-sale service.
3. 1 year warranty.
4. Normally 15 working days lead time.
5. Welcome sample order.
